

INDEX TO NAMES.

In indexing, the following have been omitted:—The names of the grantees in the table, on page 55; also those attached to the Association test, page 135; also the names of the parents of the graduates; and in the table of longevity where the husband and wife are both given, the name of the wife is omitted. In the Genealogy, only the names of heads of families and some prominent individuals have been indexed. Among the great number of names occurring, probably others have escaped notice.
